# CS180 – Linked Stacks

Note Title 9/28/2011

## Announcements

- Checkpoint Friday
  - Lab tomorrow
  - Test is coming...

# Lab tommorrow - Stacks

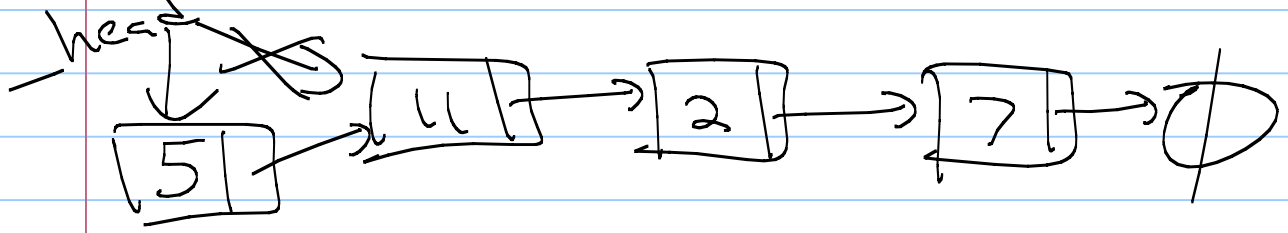
## Standard Template Library

reference: cplusplus.com

To do:

```
#include <stack>
using ...
```

# Linked Stacks



push(5)

use SLinkedList!

Slinked List:

- insertFront
- removeFront

## Housekeeping Fcns

- No Pointers!!

Shouldn't need housekeeping functions.

```
_S = other._S;
```

calls operator= for SLinkedList

# Copy constructor for SLinkedList
